

# Mountain Junkies L.L.C. Timing Services

## Bib Tear Tag Based Timing

"We want you to have a great time!"

### **Cost Effective**

- Ideal for races under 300 participants
- You supply bib numbers and runner data
- We enter the data into our system and test it before race day.

### **Reliable**

- Easy to setup and operate
- Back up systems in place.
- Can be managed by two or three people

### **Results**

- Results can be processed as the race is going on.
- We provide you with a copy of the results and upload it to [www.mountainjunkies.net](http://www.mountainjunkies.net)
- We provide you with results to post to your race webpage

Mountain Junkies L.L.C. Timing & Event Management is a locally owned and operated company with a focus on expert timing and event management, and offers some of the most up to date event timing equipment on the market. Mountain Junkies Timing and Event Management is a subsidiary of Mountain Junkies L.L.C. which began in 2007 promoting trail races in the Roanoke Valley. Since 2007 Mountain Junkies has developed and hosted 60+ events. Since 2009 Mountain Junkies has grouped 6 of their events into the "RNUTS" (Roanoke Non Ultra Trail Series) with great success. Mountain Junkies timing and event management & its parent company Mountain Junkies L.L.C. focus is to utilize its experience and expertise to provide expert timing and to help you put on a successful event. After directing and timing over 200 events in the Roanoke Valley they have become the leader in event management services.
